

**MATERIAL SAFETY DATA SHEET****Section 1 : Product/ Company Identification**

Product Code : WA323  
Product Name : Yellow Catch Bug Roll  
Product Application : Integrated Pest Management Tool for Use in Agriculture  
Company Address : Warkem Biotech Pvt. Ltd.  
B-508, Swastik Disha Business Park, Via Vadhani Indl. Estate., LBS Marg,  
Mumbai 400 086, Maharashtra, India.  
Tel. No. : 0091-22-2500 0746 , 2500 0653  
Fax No. : 0091-022 261471920

---

**Section 2 : Hazards Identification**

Non-hazardous. For agricultural use only.

---

**Section 3 : Product Composition/Information On Ingredients**

Yellow sticky roll sheet coated with glue

---

**Section 4 : First - Aid Measures**

**Incase of skin contact** - Wash off skin immediately with soap and plenty of water. Prolong contact with required seek medical attention.

**Incase of inhalation** - If inhalation occurs, move person into fresh area and keep person at rest. Give artificial respiration if necessary. If required seek medical attention.

**Incase of eye contact** - Immediately flush eyes with clean water for atleast 15 mins. If irritation persists, seek medical attention.

**Incase of ingestion** - If person is fully conscious, immediately give large quantities of water to drink, Never give anything by mouth to an unconscious person. If required seek medical attention.

---

**Section 5 : Fire Fighting Measures**

**Extinguishing media** - Use water spray, alcohol-resistant foam, carbon dioxide, dry chemical.

**Precautions for fire-fighters** - Wear full protective clothing and self contained breathing apparatus for fire fighting if necessary.

**Unusual Fire & Explosion Hazards** - Combustion may release noxious or toxic vapors.

---

**Section 6 : Accidental Release Measures**

**Personal precautions, protective equipment and emergency procedures.**

Wear respiratory protection. Avoid breathing vapors, mist or gas. Wear chemical safety goggles, rubber gloves, rubber boots, head cap. Ensure adequate ventilation. Evacuate personnel to safe areas.

---

**Section 7 : Handling and storage**

**Precautions for safe handling**

Avoid contact with skin, eyes and clothing. Wear appropriate protective safety equipments such as hand gloves, rubber boots during product handling. Wash hands thoroughly after product usage. Follow normal hygienic and housekeeping standards for agricultural products.

**Conditions for safe storage including any incompatibilities :**

Store in cool, dry well ventilated place, away from direct heat and sunlight. Do not store the product along with food or animal feed. Keep the product away from reach of children and animals. Do not expose the product to high temperatures.

---

**Section 8 : Exposure Controls/Personal Protection**

**Eye/face protection :** Wear tightly fitting safety goggles/faceshields.

**Skin protection :** Handle the product with gloves. Dispose of contaminated gloves after use in accordance with applicable laws and good laboratory practices.

**Respiratory protection :** Avoid breathing dust/drift, use adequate ventilation and wear a NIOSH approved dust or pesticide respirator with a dust filter.

**Work hygienic practices :** Avoid eating, drinking, smoking, tobacco usage and cosmetic application in areas where there is a potential for exposure to the material. Wash hands and exposed skin before eating, drinking, after work or using the toilet. Use appropriate containment to avoid environmental contamination.

---

**Section 9 : Physical and Chemical Properties**

Physical state	:- Yellow LLDPE plastic sheet having a layer of glue
Odour threshold	:- No data available
pH	:- No data available
Viscosity	:- No data available
Vapour density	:- No data available
Autoignition temperature	:- No data available
Water solubility	:- No data available
Relative density	:- No data available
Vapour pressure	:- No data available
Partition coefficient	:- No data available
Thermal decomposition	:- No data available

---

**Section 10 : Stability and Reactivity**

**Stability :** Stable

**Hazardous combustion products :** Incomplete burning will produce carbon monoxide, carbon dioxide etc.

**Hazardous polymerization:** Will not occur

**Conditions to avoid :** Exposure to high temperatures.

---

**Section 11 : Toxicological Information**

**Acute toxicity :**

No data available

**Skin corrosion/irritation :**

No data available

**Germ cell mutagenicity :**

No data available

**Reproductive toxicity :**

No data available

**Aspiration hazard :**

No data available

**Caution:** Prolonged contact with eyes, skin may cause irritation.

---

**Section 12 : Ecological Information**

**Bioaccumulative potential** : No data available  
**Persistence and degradability** : No data available

---

**Section 13 : Disposal Considerations**

Do not allow product to reach sewage system. Disposal must be in accordance with all applicable federal, state and local environmental regulations. Determine waste classification at time of disposal.

---

**Section 14 : Transport Information**

**Transportation hazard** : Product is non-hazardous for all modes of transportation.

---

**Section 15 : Regulatory Information**

Not regulated as hazardous material.

---

**Section 16 : Other Information**

The information given in this safety data sheet is believed to be correct yet does not claim to be all inclusive. This document is intended only as a guide for appropriate precautionary handling of the material by properly trained individuals, information here being commensurate with the present state of our knowledge regarding the manner and conditions of use, handling, storage or disposal. The information provided herein shall not be considered as guarantee of the properties of the product. Warkem Biotech, shall not be held liable for any damage resulting from improper handling or contact with the above product. Unless explicitly stated on the product or in any of the documentation accompanying the product, it is intended for research or testing in agriculture and is not to be used for any other purpose.

**Note : Product for Agricultural Use Only**
