

Technical Data

Product Code: WA409

Product Name: Super Aza-Q™ - 10000ppm.

Product information:

Neem Seed Kernel Based EC Containing Azadirachtin- 1% (10000 ppm) min. (Insecticide) This product is a botanical insecticide based on Neem Seed Kernel derived from Azadirachtin. It contains a minimum of 10 gram of Azadirachtin per kilogram of the material (w/w). It is an environmentally friendly product useful in the control of fruit borer in tomato and fruit and shoot borer in brinjal.

Chemical Composition:

Azadirachtin (a.i.): 1.00 % w/w min.

Neem Oil: 30.00 % w/w

N. Butanol (Solvent): 31.00 % w/w

Butyl acetate (Solvent): 23.00 % w/w

Emulsifier (Polyoxyethylene (20) Sorbitan monooleate): 15.00 % w/w

Physical and Chemical Properties:

Physical state: Liquid

Colour: Brown

Direction of Use: When used as recommended through a high-volume sprayer, this product controls the pests effectively. Take the required quantity of the product in some water and stir well. Add the required quantity of water and stir well to form a ready to use spray.

P. P. Equipment: Knapsack sprayer fitted with a hollow cone nozzle is recommended.

Precaution:

1. Avoid contact of the material with skin.
2. Wear protective materials like apron, hood, boots and gloves while spraying.
3. Do not eat, chew or smoke while spraying.

Recommendations:

This product is useful for the control of fruit borer of tomato and fruit and shoot borer of brinjal.

Storage Conditions: Store in a cool and dry place away from heat and open flame. The room meant for storing the material should be well built, well ventilated, well aerated and of sufficient dimensions. Store the material in separate rooms, away from food and feed materials in almirahs under lock and key.

Note: For Agricultural use only.

Warranty: The use of this product is beyond our control, we only assure the uniform quality of the product. The company is not responsible for crop damage occurring due to usage other than recommended dosage, sudden changes in environmental conditions or any natural calamity.
