

Product Code: WA415

Product Name: Phos Orgicare®

Product Information:

Phos Orgicare® is a liquid formulation of Phosphorus & Potassium in their readily available soluble form for plants. Phos Orgicare® helps in increasing size, texture, colour, flavor, aroma & quality of fruits. It helps in enhancing root growth, plant vigor, flowering and fruiting. Enhances Photosynthesis and prevents chlorosis.

Dosage:

5ml/Litre of water

Physical and Chemical tests:

Phosphorous (AS P2O5): min 20.0 %

Potassium (As K2O): min 15.0 %

Mode of application :

Foliar / Drip / Drenching

Add 1 litre of Phos Orgicare® in 20 litre of water. Mix well to get homogenous mixture. Make up the final volume to 200 litre by adding water. Use this Phos Orgicare® solution through Foliar application or drip / drenching application.

Recommendation: For all types of crops.

Storage & Shelf life:

Store in a cool place away from direct and heat. Do not store the product along with food or animal feed. Empty bottle/container should not be used for storage of any food products. Keep the product out of children's reach. Use before the expiry date mentioned on the label.

Note:

For Agricultural use only. Do not use directly with Biofertilizers and Biopesticides. Shake well before use.

Warranty:

The use of this product is beyond our control, we only assure the uniform quality of the product. The company is not responsible for crop damage occurring due to usage other than recommended dosage, sudden changes in environmental conditions or any natural calamity.
