

Technical Data

Product code: WA422

Product Name: Cal Orgicare™

Product information:

Cal Orgicare™ is a liquid formulation of Calcium in their readily available soluble form for plants. Cal Orgicare™ improves shelf life and quality of fruits, it helps to convert nitrate-nitrogen into forms that are required for protein synthesis. It plays key role in plant cell division and strengthening of cell wall.

Dosage:

Foliar: 10ml/Litre of water.

Drip/Drenching: 20ml/Litre of water.

Physical and chemical tests:

Calcium (AS Ca): min 8.00 %

Specific gravity: 1.15-1.22

pH (1% solution): 6.5 -7.5

Mode of Application:

Foliar application: 10ml/litre.

Drenching / Drip application: 20ml / litre. It is recommended to use this product along with 0.5ml/litre of Warkem's SuperStiker® to increase efficiency.

Recommendation: For all types of crops.

Storage & Shelf life:

Store in a cool place away from direct and heat. Do not store the product along with food or animal feed. Empty bottle/container should not be used for storage of any food products. Keep the product out of children's reach. Use before the expiry date mentioned on the label.

Note:

For Agricultural use only. Do not use directly with Biofertilizers and Biopesticides. Shake well before use.

Warranty:

The use of this product is beyond our control, we only assure the uniform quality of the product. The company is not responsible for crop damage occurring due to usage other than recommended dosage, sudden changes in environmental conditions or any natural calamity.
