

Product code: WA424

Product Name: ZinK Orgicare™

Product information:

ZinK Orgicare™ is a liquid formulation of Zinc in their readily available soluble form for plants. It improves metabolism in plants, increases crop yield, beneficial for bud formation in fruit crops and tillering in cereals.

Recommended Dosage:

5ml/Litre of water

Physical and Chemical tests:

Zinc (As Zn) percent by weight: min 6.8%

pH (1% solution): 4.0-5.5

Specific gravity: 1.21-1.28

Mode of application :

Foliar/ Drip / Drenching

Add 500ml of ZinK Orgicare™ in 10 liters of water. Mix well to get homogenous mixture. Make up the final volume to 100 litre by adding water. Use this ZinK Orgicare™ solution through Foliar application or drip / drenching application.

Recommendation: For all types of crops.

Storage & Shelf life:

Store in a cool place away from direct and heat. Do not store the product along with food or animal feed. Empty bottle/container should not be used for storage of any food products. Keep the product out of children's reach. Use before the expiry date mentioned on the label.

Note:

For Agricultural use only. Do not use directly with Biofertilizers and Biopesticides. Shake well before use.

Warranty:

The use of this product is beyond our control, we only assure the uniform quality of the product. The company is not responsible for crop damage occurring due to usage other than recommended dosage, sudden changes in environmental conditions or any natural calamity.
