

**Product code:** WA425

**Product Name:** B - Orgicare™

**Product information:**

B- Orgicare™ is a liquid formulation of boron in their readily available soluble form for plants. Improves flowering and fruit setting. Beneficial for increasing crop yield. Helps in calcium absorption. Enhances size and quality of the fruits.

**Dosage:**

5ml/Litre of water

(To be used only in case of Boron deficiency)

**Physical and Chemical tests:**

**Boron (As B):** min 5.0%

**pH (1 Percent Distilled water):** 8.0-9.0

**Specific gravity (g/ml):** 1.10-1.23

**Mode of application :**

**Foliar/ Drip/ Drenching**

Add 500ml of B - Orgicare™ in 10 litre of water. Mix well to get homogenous mixture. Make up the final volume to 100 litre by adding water. Use this B - Orgicare™ solution through Foliar application or drip/drenching application.

Recommendation: For all types of crops.

**Storage & Shelf life:**

Store in a cool place away from direct and heat. Do not store the product along with food or animal feed. Empty bottle/container should not be used for storage of any food products. Keep the product out of children's reach. Use before the expiry date mentioned on the label.

**Note:**

For Agricultural use only. Do not use directly with Biofertilizers and Biopesticides. Shake well before use.

**Warranty:**

The use of this product is beyond our control, we only assure the uniform quality of the product. The company is not responsible for crop damage occurring due to usage other than recommended dosage, sudden changes in environmental conditions or any natural calamity.
