

Product Code: WA427

Product Name: SuprrBeon™

Product Information:

SuprrBeon™ is a Biostimulant which helps in proper growth and development of all types of crops.

Application: Foliar nutrition in agriculture.

Composition:

Organic content derived from amino acid and blend of peptides: 70%

Aqueous solvent: 30% w/w

Physical and chemical test:

Appearance: Brown viscous thick paste.

Solubility: Soluble in distilled/purified water.

When to use the foliar spray:

- Plants undergoing physiological stress.
- Plants restarting new vegetative growth.
- Pre and post flowering.
- Pre and post fruit setting.

Dosage: 200gm/100 Liters.

Directions for making 100 Liters SuprrBeon™ Solution:

- Suspend 200gm SuprrBeon™ in 10 liters water with constant gentle stirring till it dissolves completely.
- Add desired wetting agents (Warkem's SuperStiker®) to the above solution to increase the efficiency of SuprrBeon™ solution.
- Make up the volume to 100 liters by adding water.
- It is recommended to carry out spraying in early morning prior to sunrise or before sunset.

Storage & Shelf life: Store in cool place away from direct sunlight and heat. Do not store the product along with food or animal feed. Use before expiry date mentioned on the label.

Note: For Agricultural use only.

Warranty: The use of this product is beyond our control, we only assure the uniform quality of the product. The company is not responsible for crop damage occurring due to usage other than recommended dosage, sudden changes in environmental conditions or any natural calamity.
